

# About Kurrajong Recycling

Since 1962 Kurrajong has provided recycling services to Wagga Wagga and surrounding communities.

We have grown from running week-end paper drives to providing recycling services to local businesses and six councils including Wagga Wagga, Griffith, Leeton, Narrandera, Murrumbidgee and Lockhart.

Our 'bottom line' is affected by the cost of disposing of non-recyclable materials delivered to our facility. It is important that the right materials go into recycling bins.

We now recycle thousands of tonnes of glass, paper, cardboard, plastic, steel, aluminium and E-recycling at our Chaston Street recycling facility. Around 17,500 tonnes of recycling is sorted annually. This keeps recyclable materials in the 'resource loop' and out of landfill.

It is through community support that Kurrajong Recycling, which operates as a commercial enterprise, can provide the community with this recycling waste-management option, and employment for 90 people including 55 people with a disability. Operation of the Recycling Centre also has a positive flow-on affect to the local economy as we use local businesses and provide employment.

Providing a recycling service for businesses

# Kurrajong Recycling Collection Services

## Cardboard

Our cardboard collection service provides a collection and recycling option to businesses that generate large amounts of packaging.

### Materials

Clean cardboard or plastic film (LDPE) packaging.  
*Note, we currently cannot recycle plastic film.*

*NO polystyrene – recycle at Gregadoo Waste Centre.*

### Container options Cardboard

1. Front-lift bin with wheels and lids  
Bin size: 2.2 m<sup>3</sup>
2. Front-lift bin with wheels and lids  
Bin size: 4 m<sup>3</sup>
3. Woolpack (with frame)  
Bin size: 440 L

### Plastic film (*service currently unavailable*)

1. Front-lift bin with wheels and lids  
Bin size: 2.2 m<sup>3</sup>
2. Front-lift bin with wheels and lids  
Bin size: 4 m<sup>3</sup>
3. Woolpack (with frame)  
Bin size: 440 L

### Collection days

Phone for collection Monday to Friday. Collected by Kurrajong Recycling contractor.

### Fees

Please phone us to discuss rental and collection fees.

## Electronic recycling

Kurrajong Recycling provides an e-waste drop-off point at our Chaston Street site for the community and businesses to safely recycle certain electronic items such as computers and TVs at no cost.

### Materials

Computers and computer peripherals, televisions, printers, scanners, photocopiers, mobile phones.

*Take fridges and freezers to Gregadoo Waste Centre as we cannot process the gases. NO electric appliances thanks.*

### Drop-off

Bring your e-waste to the drop-off point at Chaston Street.

### Collection

In some situations we may collect e-waste. Please ring to discuss.

### Fees

Drop-off at Chaston Street is free of charge. Collection fee is based on load size and travel.

## Mixed materials: glass, plastics, aluminium and steel containers

By sending your mixed recycling through our Materials Recovery Facility your recyclable items become new products and are not lost to landfill.

### Materials

Clean glass bottles, plastic bottles and containers (numbers 1, 2 and 5), milk cartons, tetra pack boxes (e.g. soy milk), aerosol containers, steel and aluminium cans, and clean foil.

*Empty, rinse and dry containers, take lids off and put both into collection bin. Squash foil into an 'orange-sized' ball.*

*NO plastic bags or polystyrene thanks.*

*NO commercial metal items – take to scrap-metal dealers.*

### Container options

1. 240 L red wheelie bin
2. 660 L & 820 L red plastic bins with wheels with lid

### Collection days

Phone for collection Monday and Wednesday. Collected by Kurrajong Recycling contractor.

### Fees

Please phone us to discuss rental and collection fees.

## Office paper and or cardboard

The materials collected through this service are recycled into items such as tissues, newspapers, packaging, industrial paper and egg cartons.

### Materials

Clean paper and or cardboard from office activities e.g. books, newspapers, phone books, cash books and printing paper. Paper clips and staples are OK.

*NO carbon paper, shredded paper (office shredders cut too fine) waxed cardboard, plastic sleeves or bulldog clips thanks.*

## Security shredding

We can collect, shred, and then reuse or recycle your out-of-date, recalled or sensitive documents in a secure and eco-friendly way at Kurrajong Recycling.

### Materials

Clean paper and x-ray film.  
For example, client files and business financial records. Paper clips and staples are OK.

*NO waxed cardboard, plastic sleeves or bulldog clips thanks. NO home or office shredded paper as it is too small to press into bales.*

### Container options

1. 240 L blue wheelie bin with yellow lid (lockable if required)
2. 70 L woven bags

### Collection days

Wagga pick-up: Wednesday, Thursday and Friday.

### Out-of-town pick-up

1. Griffith, Narrandera, Leeton & Lockhart the 2nd Monday each month
2. Cootamundra, Temora, Junee & Coolamon the 3rd Monday each month

### Collection and fees

Please phone us to discuss fees. Collected by Kurrajong Recycling.

### Container options

1. 240 L blue wheelie bin with yellow lid
2. 660 L & 820 L blue plastic bin with wheels and lid

### Collection days

Monday to Friday. Collected by Kurrajong Recycling contractor.

### Fees

Please phone us to discuss rental and collection fees.
