

ALLIED HEALTH Graduate Program

Learn, grow, make a difference

Our vision is to create open, accessible and inclusive communities for all people.

Kurrajong has been a leading disability organisation in the Riverina Murray region of NSW for over 60 years.

Our Allied Health Graduate Program is an exciting opportunity to kickstart your career with the guidance and support of industry experts.

We are open to applications from graduates in the following disciplines:

Speech Pathology

Occupational Therapy

Physiotherapy

This is Rosie!
She is an OT in her 2nd year of Kurrajong's Allied Health Graduate Program!
